

### *The Vista 3 is a great way to travel...*

**It is the perfect tourer.** Full motorhome features and the *ease of maneuverability of a campervan.* You have the best of both worlds!

1. Luxury 3 berth motorhome with full galley and bathroom.
2. Front lounge, fixed rear bed.
3. Real cherrywood finishes.
4. Safe and easy to drive - use it as your second car!

The **luxury specifications** of the **Vista 3** are what you would expect to find on a much larger motor-home. You get the luxury of a fixed (French) bed at the rear, full bathroom with shower, full galley with microwave oven and 72L Waco fridge/freezer and a delightful dinette/lounge in the front which seats 4 in comfort. The front seat converts into a bed which accommodates an adult in comfort or would also suit 2 small children.

**Safety is paramount.** There are 4 belted seats, all with lap and shoulder straps.

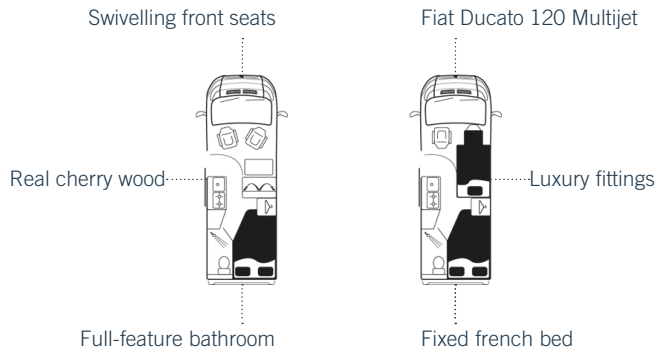

**Seitz S4** windows and **Heki** skylights are all fitted with integral blinds and flyscreens. A large, crank-out **Dometic awning** adds to style and comfort. Packing space is very generous, with a huge slide-out drawer under the fixed bed and numerous cupboards and drawers.

We have used only the **best equipment and material** throughout, evidenced by the level of **real wood** trim and veneers. Swivel seats up front and a retractable **electric step** complete a package that is hard to resist.

### Day/Night Layout

- 4 Belted seats with lap & shoulder straps
- Air bags, Twin circuit braking system with 4 discs and ABS + EBD
- Powerful, fuel efficient 16 valve 2.3i Multijet Common Rail diesel engine
- Air conditioning - cooling & heating
- Electric Omni-step
- European styling & components
